

As an Indiana citizen, I want to speak out against proceeding 02-278. I am very satisfied with our State's Do Not Call Law and know that the effectiveness of this law will be diminished with preemption from the federal law. Other Citizens of Indiana, as well as myself, do not want our law preempted. These unwanted calls by telemarketers are an invasion of my privacy. We should practice "don't call us, we'll call you". Thank you.
